

Our Commitments

- *The earth is part of a Living Universe and, together, we comprise a whole system that begins and ends in transcendence.*
- *We abhor and oppose practices of abuse and cruelty toward any sentient being, whether motivated by lack of mindfulness or deliberate exploitation and greed.*
- *Where there is division of opinions, beliefs and worldviews, we embrace understanding of the gifts of diversity.*
- *Where there is fear of “the other,” we stand for inclusivity and respectful acceptance of everyone’s right to create the life of his or her choosing.*
- *Where there is oppression and hatred, we endeavor to restore balance by standing for justice, compassion and forgiveness.*
- *We pledge to respect, and advocate for the equal well-being and civil freedom of every human being.*
- *Any proposal or action that seeks to discriminate against individuals or classes of individuals based on prejudiced, stereotypic profiles of national origin, class, creed, race, ethnicity, physical ability or sexual orientation is in opposition to our core beliefs and values.*
